

Dear Friend/Colleague,

I hope that you are doing well and finding some balance in your busy life! I have been away from education for a year, since my diagnosis of Parkinson's. I am adjusting to my "new normal" and have had lots of time for reflection.

One reflection is the importance of our union, both over the course of my career and while going through my recent health issues. There is no doubt in my mind that our union is there for us, especially in difficult professional times and maybe more importantly, in times of personal need.

This year, an election will be held to select our new President for Limestone Local. It will be a difficult role to fill with the very recent and sad loss of Debi and with Mike's move to Provincial last year. It is extremely important that the next President is the right person to fill this void - someone who understands the history of where we have been and has a vision for our future in Limestone.

For this reason, I have offered to assist **Stephane Charron** with his campaign for **President of Limestone Local**. Please find enclosed his campaign flyer with his experience and priorities outlined.

I wish you well and hope that you will exercise your right to vote on April 12th (4:30 pm at the Ramada Inn, 33 Benson Street, Kingston). **Please consider Stephane's history, knowledge, organizational skills, tireless work ethic and responsiveness when making your decision. He has made a difference to me!**

In solidarity,

Kathy McVety

Dear Friend/Colleague,
