

Vote Jane Roberts for President.

Last year Jane Roberts was instrumental in supporting my voluntary transfer. She not only informed me of the process, she spoke with the principal about a few issues which might have prevented my being able to make the move. She kept me abreast of the progress through phone calls and texts. Due in large part to her efforts, my transfer was approved. Jane is knowledgeable, quick to respond to messages from members, and always has the membership's best interests in mind. It is with pleasure and confidence in her proven ability, that I recommend her continued position as the head of our local. **Jane has my vote for President!** Monica McLeod-Teacher

Jane Roberts is a respectful and conscientious ETFO executive member. I always receive prompt feedback and advice.
I once had a serious problem with a teaching assignment. This was not a quick fix, and required much patience and persistence. Jane was there to support me throughout the ordeal. She is an excellent and fair negotiator.
Jane is approachable and confident. She connects professionally with all ETFO members as well as Board Personnel to get the job done!
Without a doubt, **Jane gets my vote as our next ETFO President**, here in Limestone.
