# LIVING BOOKS

**May 9 2018**

**Tett Tower**

**6 - 8 p.m**

Limestone Women Welcome! Teachers from the Limestone Teacher and OT Locals are invited to come and listen to women in our community as “Living Books” at the TETT Tower. Each woman will be sharing her personal story of strength, growth and engagement in the community. Every woman should have her-story heard! Come and listen to women tell their tales, and then more onto new stories. We also want you to come, connect and network with women in our locals! Come for part of the evening or spend the evening “reading” and conversing with these living books.

RSVP: by clicking the link [Living Books Reservation Link](#) or email: [molly.r.brunet@gmail.com](mailto:molly.r.brunet@gmail.com)
