Bargaining News!

ETFO has been advised by the Ontario Secondary School Teachers' Federation (OSSTF) that it served notice to bargain on April 29th with employer bargaining agencies, including the Ontario Public School Boards' Association (OPSBA) and the Council of Trustees' Associations (CTA).

While we cannot comment on the bargaining strategy of other unions, questions have been raised with regards to when ETFO will be giving notice to bargain.

For strategic reasons, ETFO does not release information about its bargaining decisions in advance. However, please be assured that you will be notified promptly about any bargaining-related development through the *Collective Bargaining eNewsletter*. Go to ETFO.ca to enroll if you have not already done so.
