Upper Canada Local proudly present ...

WOMEN IN ACTION: PART ONE

Women in Action is an intensive two-part program designed to encourage the active involvement and leadership of ETFO's women members. The workshop looks at the structure of ETFO and the opportunities that exist for women's involvement within the Union. It examines styles of leadership focusing on the strengths women bring to an organization. Participants are encouraged to develop strategies to overcome barriers to women's involvement and to plan activities that meet their needs. Finally, participants review and practice the skills they need to make their voices heard in meetings.
